BALLET I-III

The heart of IAD is our ballet training program. Our highly trained instructors take a sequential approach to teaching the art of ballet in a nurturing environment. IAD's syllabus is based on the proven methods of Vaganova Technique, developing exquisite dancers with a great understanding of biomechanics. Our Ballet program builds confidence, balance, coordination & focus while developing artistry. Dancers achieve line, stamina, concentration and grace optimal for all movement... and life itself! For Ballet IV & V, see our Professional Training Program.
