

FALL/SPRING 2020/21

LEVEL V/VI

Foundational technique, terminology and JOY in all dance styles. Supportive and nurturing classes. Level IV/V/VI is best suited for dancers completing several years of Level III and who are ready physically and emotionally for more complexity. Level IV/V/VI will likely be repeated for several years. As dancers progress they will gain new strength, confidence and artistry, as they also grow technically and expand their repertoire.
